

ICT

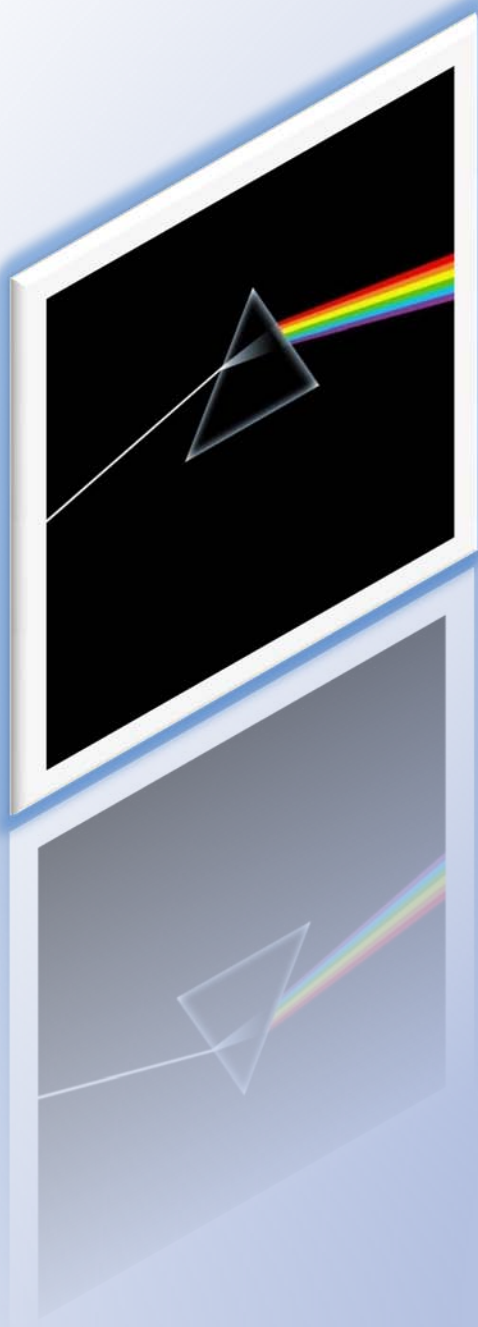

*Information
& Communication
Technologies*

*Inspiring
Creative
Thinking*

a new approach to ICTLLP

*“it is no use
walking to anywhere
to preach
unless
our walking is
our preaching.”*

St Francis of Assisi

Individual Task Suggestions

1. Homework Section

<http://sefkat.k12.tr/bahcelievler/>

another link in Ödev Çizelgesi

Task Suggestions

for all

1. Cultural Studies

for Performance Task

*preparing and uploading e-books (PDF):
student teams via e-mail through wiki
(we can watch the e-mail traffic)*

*for example: short stories on Mothers' Day,
choose the best in Italy)*

2. Language Learning through listening

<http://www.uiowa.edu/~acadtech/phonetics/>

<http://text-to-speech.imtranslator.net/speech.asp>

Learning through songs, but how?

*I hear babies cry, I watch them grow
They'll learn much more than I'll never know
And I think to myself what a wonderful world*
Louis Armstrong

*I've lived a life that's full.
I've traveled each and ev'ry highway;
But more, much more than this,
I did it my way*

Frank Sinatra

I think to myself I've lived a life that's full.

this is my sentence

3. Charity Activity

*Cheap and easy,
but life-saving*

*Cataract Project in Ethiopia
Child Labor in India*

???

but how?

3. Charity Activity

*Cheap and easy,
but life-saving*

(for Türkiye)

design a calendar (each country one page)

send designs to each other

arrange/publish/sell/upload the result to wiki

*Collective ideas make collective power, and only
with this power we can be strong.*

Thank You
